

Aboriginal Healing Outside the Gates

We are community based researchers from "WOMEN INTO HEALING" that are inviting you to participate and consent in our health research project. This project is for aboriginal women after they have been released from prison. Our goal is to better resources in our community for aboriginal women and bridge the gap after release.

For more info please contact our community based researchers:

Amber Christie 604-850-4198

Or Koala at 604-615-1682

We will give you a 20\$ honorarium in gift cards for your time.

We will also pay for your bus fare to and from the interview and pay for babysitting!
